### Prefatory Note

This sixth index of *Momentum*, quarterly journal of the National Catholic Educational Association, includes all issues of the journal from 1987 through 1988.

It is a cumulative index arranged in alphabetical order according to author, title

of article, and subject matter. Each article is cross-indexed under these three categories. The subject matter topics appear in boldface with related articles following in an indented listing, arranged alphabetically by author.

Articles appearing in regular columns of the journal—**Ideas and Issues**, **A New Perspective**, **Justice and Peace Education**, **Classroom Corner**, **Research Reflection**, and **Trends in Technology**—are listed under these subject headings; they are also cross-indexed by author and title.

Articles classified as **Editorials** are indicated; they are also cross-indexed in the usual way. All **Book Reviews** are listed

under the subject heading, arranged alphabetically according to both the title of the book and the author.

Under the subject heading **Schools** is an alphabetical listing of states in which are located particular schools featured in *Momentum* articles. These schools are listed alphabetically under each state heading and are also cross-indexed under the title, author and subject matter headings.

Separate copies of this index, as well as reprints of the *Momentum* indexes from 1970-74, 1975-79, 1980-81, 1982-84, 1985-86 are available from NCEA Publication Sales at \$1 per copy.
